STEWARDSHIP OF TREASURE  
ST. FRANCIS DE SALES PARISH & SCHOOL

# A Note from Father Dave & the St. Francis Team

We have so much love to share on behalf of our Father in Heaven! We are called to bring the lost to Christ and, as Catholic Christians, are to put ourselves out there and spread the love of God to all those we encounter. St. Francis is growing and will continue to grow in the years to come. We have more opportunities to share the good news of Christ now, than ever before. Everything we do at St. Francis is for you, our parishioners, our school families, and our whole community. Our goal is to help you become disciples of Christ, so that you may *Be Bold and Seek the Lost*.

Within these pages, you will find testimonies from members of our parish family who have found and grown in Christ because of the gifts given to our parish through Offertory. These stories are a testament to the work that can be done for God through your generous donations to this parish through our annual Offertory Drive. Our next step is to take the mission of *making disciples and disciple makers* outside of our walls and deeper into our communities.

On the weekend of October 21 and 22, we will ask each family to come forward to place their financial pledge to God's work in our parish in a basket at the foot of the altar. We ask that you bring it to the Lord in this way, as a visual and physical sign of our commitment together as a parish family.

No matter how large or small your gift, we ask you to join us and your fellow parishioners as we work together to spread the good news of Christ across our community and enrich our faithfulness here at St. Francis. Our mission is to bring as many people as we can to know God and serve Him so that we may all be with Him forever in Heaven. Your generous donations are vital for the continued growth of the Kingdom of God here on Earth. We could not do what we do here at St. Francis without all of you.

May God bless our parish, our school, and our families!

# Understanding the Report

We continue to build our budget with growth in mind. As our parish continues to increase ministry offerings, adult faith formation, family ministries, and parish activities, so too does our need for additional liturgical supplies. The school has certainly grown with the implementation of Classical Education. This year's budget was tighter due to bringing on our new Parochial Vicar but has been well worth it!

This year we ask for a modest increase of your giving to help us to offset inflation and to continue a growth path for all of our ministries.

## How did we use the Offertory?

Offertory supports the daily operations of our growing parish and school to support our mission of *Making Disciples and Disciple Makers* for Jesus Christ. This includes funding our ministries and outreach efforts, faith formation and religious education, spiritual programs and evangelistic efforts, music, staff salaries and benefits, monthly utilities, facilities, grounds and maintenance, taxes and insurance premiums and other administrative costs. Here's how 2022-23 dollars were spent.

## What are Restricted Funds?

Restricted funds can only be used for the purpose they were given. The parish is not legally free to use these funds at will.

Examples of Restricted Funds are:

- Student Tuition
- SPICE Donations
- Donations to Catholic Outreach Ministries
- Maintenance Reserves
- Capital Campaign Donations
- Donations given to the parish by donors for a specific project and/or ministry

# TAKE ADVANTAGE OF THE OHIO TAX CREDIT PROGRAM

## Emmaus Road Scholarship Fund

**DID YOU KNOW?** You can now use your **TAX DOLLARS** to give the gift of an authentically Catholic education at **Francis School**.

**100% of your gift will come back to St. Francis School!**

*Scan me!*

### HOW DOES IT WORK?

- Donors who make a gift to the Emmaus Road Scholarship Fund receive a **dollar-for-dollar reduction of their Ohio tax liability** upon filing next year (equal to the amount of the gift up to \$750 or \$1,500 if married and filing jointly).
- **Anyone can make a gift!** Parents, grandparents, alumni, friends – anyone with a heart for making Catholic education accessible and affordable for all. Only Ohio residents will receive the tax credit, but out-of-state residents have the potential to realize a Federal tax savings for their contribution.
- **No gift is too large or too small**, but the Ohio tax credit is limited to \$750 for an individual and \$1,500 if married and filing jointly.
- Your gift can be **directed to benefit St. Francis de Sales School** students.

### WHAT IS THIS FUND?

In 2021 the Ohio Legislature passed a law creating a tax credit for qualified donations to scholarship granting organizations certified by the OH Attorney General.

Subsequently, since the Diocese of Columbus considers affordable access to a Catholic education a philanthropic priority, the Diocesan Education Corporation (dba Emmaus Road Scholarship Fund) officially was formed and certified as the first Scholarship Granting Organization (SGO) in the state.

## STATE OF THE (COMM)UNION IN OUR PARISH SCHOOL

We have answered our mission call. We are dedicated to teaching children from ages three through 14. We are confident that we know how they learn best, and we know how to support them and their families.

At St. Francis School, we have further enriched our academic excellence through the adoption of Classical Education. In the simplest of terms, Classical Education is placing Jesus intentionally in the midst of every class subject. In this way, we are able to showcase all the wonders God created in the world and to fully express joy and gratitude for the gifts that Jesus has given and continues to give us every moment. We encourage children to have a true, honest relationship with Jesus and together we achieve great things, even the most challenging tasks, with strength and determination because He is Emmanuel, God with us.

His presence is felt in the hallways, classrooms, and in our hearts. As a staff, we know and respect that children are a gift to us, and we walk side-by-side with our families, trusting that we'll all see each other again in Heaven to celebrate the fruits of the hard work that the Lord has entrusted to us.

God is pleased with the good that we do every day, and He continues to reward us tenfold.

## FROM SIN & REGRET TO HIS TRUTH

In the beginning of 2022, I was incredibly confused and sad. I searched constantly for any pleasure to lift me up, any fleeting moment that could fulfill my desires. I did not know who I was, and I did not know the Lord, but through a group at school I began to study St. Joan of Arc, and her story fascinated me. I knew little to nothing of the Catholic Church, but it captured my thoughts immediately. I looked for everything I could find, and prayed for the first time in years. I did not know what journey the Lord had chosen for me to embark upon at the time, but He took me from my past life of sin and regret, and led me to His Truth. I also joined the Summit Youth Group during my conversion and found a sense of community and faith that I had been lacking. In Summit, I was able to learn about the faith in ways more specifically catered to me as a youth and I was able to meet many new friends and take on leadership roles. Summit aided me greatly during my conversion, and I believe that these experiences, along with many others, formed the person that I am today. In April of 2023 I was baptized and received into the Catholic Church.

# Make a Forever Gift

What we possess, we do not own. We are the caretakers of what God has entrusted to us. That makes it easier to see and understand our responsibility to cultivate, manage, multiply, and share what we have. We want to leave something for the next generation – our children, our community, our parish. So how do we do this? How can we provide for the next generation at St. Francis? The St. Jane de Chantal Giving Society can help.

The St. Jane de Chantal Society is comprised of St. Francis parishioners and other community members who give, or make provisions for future giving, to memorialize God's incredible goodness in their own lives. Remember that everything we have is a gift from God. The Giving Society provides a vehicle to offer future perpetual support for our parish. We, in turn, are given the opportunity to recognize, honor and thank all those who show their gratitude to God in this extraordinary way.

## CONSIDER BECOMING A MEMBER OF THE GIVING SOCIETY

- Make provision in your will or living trust, setting aside a specific amount or percentage of your estate for St. Francis de Sales Parish.
- Make a gift of real estate or other appreciated property (stocks, bonds, etc.).
- Purchase a charitable gift annuity. Name the parish or school as a beneficiary of all or a portion of a life insurance policy, IRA or other retirement plan, or charitable remainder or lead trust.
- Contribute to one of our endowments for the St. Francis de Sales Parish and School.

As you consider any plans to give to St. Francis de Sales Parish and School, you should consult with a financial planner and/or attorney to discuss your specific situation.

## BECOMING A MEMBER MEANS:

- Your family will be **remembered perpetually** in an annual Mass
- You will receive a personal invitation to attend the annual **St. Jane de Chantal Giving Society Dinner**
- **Recognition** in our annual Stewardship of Treasure publication
- **Recognition** on the St. Jane de Chantal Giving Society plaque in our Faith & Family Center
- **Tax and estate planning advantages**

The amount and details of your legacy gift will never be publicly disclosed.

## OUR APPEAL TO YOU

We invite you to help prepare for the future of St. Francis by prayerfully considering a one-time or recurring gift to a parish endowment. The endowment funds, managed by The Catholic Foundation, are meant to provide support for our parish and its ministries for future generations. Endowments are important because they provide a steady source of revenue each year. **We do not draw from the principle of the endowments, only 5% of the interest annually.**

Our current endowment funds include:

- Thomas McGann Tuition Assistance Endowment Fund - \$33,246.16
- Twylah & Charles Grunewald Memorial Endowment Fund - \$16,901.14
- The Brady Hempleman Memorial Scholarship - \$22,858.51
- The Licking County Catholic Schools SPICE Endowment Fund - \$145,657.65
- St. Francis de Sales Catholic Outreach Ministries Fund - \$11,821.04
- St. Francis de Sales General Needs & Infrastructure Fund - \$35,735.34
- St. Francis de Sales Mission, Ministries, & Evangelization Fund - \$39,564.86
- St. Francis de Sales School Fund - \$642,258.56
- Mount Cavalry Cemetery Endowment Fund - \$46,410.95
- St. Joseph Cemetery Endowment Fund - \$119,958.59

TOTAL = **\$1,114,422.80** (September 2023)

Gifts can be made from a variety of assets and can occur during your life or as a bequest in your will or trust.

As our trusted partner, The Catholic Foundation assures peace of mind that our funds are invested in a conservative manner and in alignment with Catholic teaching. Within the past year, our parish has received **\$49,686.66** in grants from The Catholic Foundation, distributed as follows:

- \$33,483.02 in grants for scholarships for St. Francis students
- \$8,206.64 in grants for cemeteries
- \$8,000 in grants for our vocations program

Please consider how you can support the future of St. Francis de Sales and the Catholic faith through planned giving.

## MAKE A JOYFUL NOISE UNTO THE LORD

The Junior High Band is entering its second year at our school. We are also starting a separate Beginner Band this year as well. So yes, that's TWO bands! Each band consists of students from both St. Francis de Sales and Blessed Sacrament Schools, 5th-8th grade. We perform at sporting events and have band concerts throughout the year. Our Intermediate Band (2 or more years playing) is even planning a trip this spring. Great things happening in the music department at St. Francis School!

## IT'S MORE THAN JUST A CHURCH

Growing up Catholic and as a former student of St. Francis de Sales School, I thought going to church on Sunday was all I needed. I was wrong. My children are enrolled in the school, but the parish has blessed my family with life-changing experiences. Our family has made many dear friends who have pushed us out of our comfort zone. My life changed especially with the Rescue Project and we have personally benefited from so many of the opportunities presented to us through the parish. God had a plan and put the right people in my path to heal my heart. In addition, my daughter had health issues and through the power of prayer and doing all things in Jesus her health issues are under control. We have no clue where we would have been in that trial without the support of our St. Francis de Sales Family.

- The Reagan Family

## MY FAITH BEGAN TO BURN INSIDE ME

I am a single mother of five - three adults and two who are of school-age. I grew up Catholic, but our family never practiced, and well, I was not living a holy life for God! For several years, my good friend at work kept asking if I've gone to see Fr. Dave yet, and I hadn't, feeling I didn't belong as I was divorced, and had 2 children after the divorce, and hadn't remarried. Until one day, I decided to listen.

Boy, did that change my life! I started to feel welcomed, loved and embraced into a growing community and my faith began to burn inside! I started with Walking with Purpose as the agenda seemed like something I'd like and getting to know other women within the parish was something I was wanting to do, as being around like-minded women all searching for purpose and meaning in our chaotic lives helps guide us as sisters in Christ! This led to wonderful relationships and a new faith formation with Reach More. Initially, I found this hard to discern what my personal apostolate was, but God told me, "YOUR CHILDREN!" He especially placed my adult children on my heart. Each day I walk with Jesus, is another seed planted for my children. Reach More grew into Rescue Project as a participant (and now a 2-time group leader) which has helped me see and learn from others in ways I never thought possible.

Damascus Women's Retreat further changed my life! I can say I've been on a new path since I left last October. I've now attended two women's retreats at Damascus and look forward to future adventures!

I've also enthroned my home as well. The blessings continue to flow. I am truly grateful for the wonderful opportunities there are here at St Francis de Sales! Summer was hard, as many events took a break, and I felt the pull of sin, but knowing and feeling God's grace kept me on track and focused! I am so glad for the Adult Faith Formations here, as I truly feel I would not be where I am today without it.

Now that I co-lead the Single Parent Ministry, I see so much potential and growth, and the opportunity to evangelize and bring more back to the faith. I long to help those who are lost or feel unworthy, that they don't belong because of years of sin and shame. I want to share with them, so they know that we have a loving and forgiving Father. I cannot express the gratitude I have, and now I can't wait to spread God's love to all who are willing to hear it and hunger to feel it!

*Can you help?*

Without the generosity of this parish, not only financially but your prayers and goodwill, our incredible staff and the commitment and support of Father Sizemore and Father Gentry we would not have been able to do all the mighty things the Lord has lit the path for us to do. Please see our website [Com4us.life](http://Com4us.life) or our Facebook page for more information on how to get involved.

# 2023-24 Budget Plan

The budget for the coming year considers our current inflation rate. It allows for a modest increase in staff wages and necessary increase in program budgets. We are projecting that the offertory income will match the following expenses:

2023-24 Budget Plan	
<b>Mission of the Parish</b>	
Adult & Youth Faith Formation	218,501
Secondary Support to Newark Catholic	14,570
Church Supplies/Salaries/Admin Costs/Etc.	786,604
<b>Total Mission of the Parish</b>	
<b>1,019,675</b>	
<b>Buildings &amp; Grounds</b>	
Parish Buildings & Grounds	602,739
Assessment	129,025
Capital Improvements	129,913
<b>Total Buildings &amp; Grounds</b>	
<b>558,676</b>	
<b>2023- 24 TOTAL EXPENSES</b>	
<b>1,578,351</b>	

Our basic cost to run the parish increases with inflation and growth. Although we have a very large staff, only half of our staff is paid. The others are volunteer/unpaid staff who graciously give their time to the mission of our parish. Of the staff that is paid, only some are paid at full salary. The others work on a smaller missionary salary so that we can fill much needed positions at a fraction of the cost.

The Lord our God says:

“From now on, I myself am the shepherd. I’m going looking for them.  
As shepherds go after their flocks when they get scattered, I’m going after my sheep.  
I’ll rescue them from all the places they’ve been scattered to in the storms.  
I’ll bring them back from foreign peoples, gather them from foreign countries,  
and bring them back to their home country.

I’ll feed them on the mountains of Israel, along the streams, among their own people.  
I’ll lead them into lush pasture so they can roam the mountain pastures of Israel,  
graze at leisure, feed in the rich pastures on the mountains of Israel.

And I myself will be the shepherd of my sheep. I myself will make sure they get plenty of rest.

I’ll go after the lost, I’ll collect the strays, I’ll doctor the injured,  
I’ll build up the weak ones and oversee the strong ones so they’re not exploited.”

# ELECTRONIC FUNDS TRANSFER - MAKING GIVING EASIER

Many parishes offer the option of electronic funds transfer (EFT) for those parishioners who are comfortable with transactions such as debits from one's bank account, charges to one's credit card, or online banking. For the past few years St. Francis has been offering the option of EFT, which has proven to be a safe, easy, and beneficial method of fulfilling annual offertory commitments. In fact, around 70% of our parishioners who give, choose to do so via EFT. There are numerous advantages to utilizing EFT for your giving. They include:

- No checks to write, no checks to remember, and no checks to lose!
- The parish saves money because EFT reduces bank and parish office administrative costs.
- More accurate record keeping for the parish and for donors.
- We receive your commitment regularly, including the times you are away for vacations or work.
- Donors can plan ahead for regular amounts in intervals that work best for their budget (i.e., weekly, monthly, quarter, or annually)
- Giving is automatically tracked for tax deduction purposes.

The use of EFT stabilizes our income so we can succeed with our mission of *Making Disciples and Disciple Makers*.

Complete the information below for your selected method of payment and account authorization:

*Note that if you are using EFT for your Building Fund/Endowments or Outreach to the Poor Pledge, you may use different accounts for each transaction. You may also choose different payment dates for each pledge.*

## Automatic Withdrawal from Checking or Savings

I hereby authorize St. Francis de Sales to establish automatic withdrawals.
